Week of the Young Child-

“Bringing Communities Together for Children”

Young Children deserve the best that we can give them. Week of the Young Child held April 19-25, is a time to recognize the needs of young children, and **thank** the adults involved in their education and care. Parents, teachers, caregivers and other adults play important roles in the lives of young children, and Week of the Young Child celebrates their efforts.

“All young children need and deserve high-quality early learning experiences that will prepare them for life and Perth Amboy has a great opportunity to do our part to help young children,” stated Mr. John M. Rodecker, Superintendent of Schools.

“Week of the Young Child is a time to recognize the importance of early learning for all young children, and to bring Perth Amboy together to help give all young children a great start,” stated Mary Jo Sperlazza- Early Childhood Supervisor.

Week of the Young Child, sponsored by the National Association for the Education of Young Children (NAEYC), is an opportunity for Perth Amboy’s early childhood program to hold activities to bring awareness to the needs of young children. Mayor Wilda Diaz will kick off the event on April 20, 2009 with the reading of the Proclamation.

Each Pre-School center will offer special activities to honor our young Children.
